Minutes from 8/1/17 meeting were previously presented for approval by email, no corrections were noted.

Committee Business

A majority of our time was spent squaring away details for this Friday's performance. Recap of action items:

- Bob working to secure paint (hopefully by donation) for the stage. Parents set to help paint this week.
- Miriam provided estimate for panels. Board gave her the okay to purchase, with or without discount. Later that evening Miriam reported she was able to find a 40% discount and would order this week.
- Steve has secured an ATV and trailer. Additional trailer will be provided by the Symes for pit equipment.
- The board decided the drum major stand was a priority due to safety concerns, allowing parents to purchase and be reimbursed later.
- Parents helping on Friday are to report by 6 pm. Students will also be in uniform and ready at this time.

Help for additional performance and fundraising dates is needed; reminder will be sent to go to SlyReply.

Marching band now falls under Mr. DeWall. He asked for one point of contact, which will be Julie. Today's meetings between officers and administration are to be documented and included with meeting minutes.

Chelsea joined us and provided updates on the drill, additional guard members and equipment repairs. We added a fundraising date as prop expenses are quickly mounting: 9/15 March-a-Thon, student call time 5 pm. Please announce on your Facebook pages. School safety officer Goings will be asked for his assistance.

We briefly discussed PAPA, and suggest parents from both concert band and marching band participate in this “sister organization.” While PAPA has incorporated all of the performing arts, our boosters group needs to remain a separate organization. Band, choir and theater teachers plan to meet next Tuesday after school. Chelsea needs coverage in order to attend; Denise will be the parent volunteer supervisor at 3:30.

Volunteer paperwork has been turned into the district office. Thank you notes are being prepared for last year’s sponsors; we may have the kids sign them. Establishment of by-laws will be revisited in November.

Next meeting will be either October 3rd or 5th; Chelsea and officers to check their calendars for conflicts.
